Product Overview

Nutramigen with Probiotic LGG Hypoallergenic Infant Formula

Nutramigen with Probiotic LGG Infant Formula is a hypoallergenic formula clinically shown to manage colic due to cow's milk protein allergy fast, in as quickly as 24 hours.¹

Our Nutramigen with Probiotic LGG infant formula is a hypoallergenic formula designed to provide the nutrition your baby needs for growth and development, while helping to provide relief from colic due to cow's milk allergy.

If your otherwise healthy baby is crying for more than three hours a day, at least three times per week for 3 weeks in a row, it could be colic due to cow's milk allergy.

The only way to know if your baby has colic and/or a cow's milk allergy is to visit your baby's doctor for proper identification.

Babies with cow's milk protein allergy also have a higher probability of experiencing other allergies such as asthma or eczema. Nutramigen with Probiotic LGG can help reduce the incidence of future allergy challenges, while still providing nutrition they need for growth and development.²

Learn more about [Enfamil support programs](#) that can help offset the costs of your baby's formula.

- ¹Due to CMA.
- ^{**}Among those who have a preference.
- ¹In as early as 24 hours and 90% infants experienced relief within 48 hours when managing colic due to cow's milk allergy. Studied before the addition of [DHA](#), [ARA](#) or [LGG](#).
- ²Asthma, eczema, rhinoconjunctivitis, and urticaria at 3 years compared to Nutramigen without LGG. Feeding began at 4 months of age or older in the study.
- ⁵Vs Nutramigen without Probiotic LGG®.
- ^{||}Nutramigen® does not use table sugar (sucrose) as a source of carbohydrates.

Available Formats and Sizes

- 0g of Table Sugar^{||}

Ingredients

Corn Syrup Solids (47%), **Vegetable Oil** (contains one or more of the following: **Palm Olein Oil**, **Coconut Oil**, **Soy Oil**, **High Oleic Sunflower Oil**) (26%), **Casein Hydrolysate (Milk)**^{*} (17%), **Modified Corn Starch** (4%), and less than 2%: **Mortierella Alpina** Oil¹, **Schizochytrium Sp. Oil**², **Lactobacillus Rhamnosus**⁵, **Calcium Citrate**, **Calcium Phosphate**, **Potassium Chloride**, **Potassium Citrate**, **Sodium Citrate**, **Calcium Hydroxide**, **Magnesium Oxide**, **Ferrous Sulfate**, **Zinc Sulfate**, **Cupric Sulfate**, **Manganese Sulfate**, **Sodium Iodide**, **Sodium Selenite**, **Choline Chloride**, **Ascorbic Acid**, **Niacinamide**, **Calcium Pantothenate**, **Vitamin D3**, **Thiamin Hydrochloride**, **Riboflavin**, **Vitamin B6 Hydrochloride**, **Folic Acid**, **Vitamin K1**, **Biotin**, **Vitamin B12**, **Inositol**, **Vitamin A Palmitate**, **Vitamin E Acetate**, **L-cystine**, **L-tyrosine**, **L-tryptophan**, **Taurine**, **L-carnitine**.

Corn Syrup Solids & Extensively Hydrolyzed Milk Proteins:

A hypoallergenic source of carbohydrates and milk for infants with cow's milk allergy.

Plant-Based Oils:

Palm olein, coconut, soy, and high oleic sunflower oils have important fats for infant growth and development.

Modified Corn Starch:

Serves as a source of carbohydrate, an emulsifier to prevent separation in formula.

Mortierella Alpina & Schizochytrium Sp. Oils:

Sources of **DHA** & **ARA**, to support brain and eye development.

Lactobacillus Rhamnosus (branded as LGG®):

The most studied probiotic for cow's allergy management, supporting gut health.

Calcium Citrate & Phosphate:

Sources of **calcium** essential for the development of strong bones.

Essential Minerals:

Essential minerals to support bone development, nerve function, and cellular activities.

Sodium Citrate:

A source of sodium.

Choline Chloride & Inositol:

Important nutrients to support brain development and overall growth.

Essential Vitamins:

Essential to support bone health and overall growth.

Amino Acids:

Play important roles in central nervous system development and energy metabolism.

- ^{*} Modified to be better tolerated in milk-allergic babies
- ¹ A source of Arachidonic Acid (**ARA**)
- ² A source of Docosahexaenoic Acid (**DHA**)
- ⁵ Branded as **LGG®**, a registered trademark of Chr. Hansen A/S
