Product Overview

Enfamil Optimum (Enspire) Infant Formula

Introducing Enfamil Optimum, formerly known as Enfamil Enspire Optimum—now with a fresh new look in a new ready-to-feed format.

Enfamil Optimum is designed to be our closest formula to breast milk, it has two of the most abundant HMOs.

Perfect for combo feeding, Enfamil Optimum is ideal for supplementing breastfeeding, ensuring your baby gets essential nutrients while providing parents with convenience and peace of mind.

Enfamil Optimum has 2'FL & LnNT, two of the most abundant HMOs that are naturally present in breastmilk, to nourish their immune health.

With NO artificial growth hormones, NO artificial colors or flavors, and a NON-GMO* formula, Enfamil Optimum has complete nutrition for babies through 12 months in a convenient format, perfect for night-time feeds! Give your baby the best start with Enfamil —trusted by parents¹, backed by science.

**Not made with genetically modified ingredients, but trace amounts of genetically engineered materials may be present in the product from manufacturing environments and process sources.*

¹Among those who have a preference; based on the 2023 survey by AMC Global.

Available Formats and Sizes

Enfamil Optimum Infant Formula is available in ready to use format in 32 fl oz bottles that can be purchased individually or in cases of 6. **This format does not have lactoferrin added as ingredient.**

✓
