DESCRIPTION

Neocate Syneo Infant is the first and only hypoallergenic formula with prebiotics and probiotics, specifically designed for infants with food allergies.

- Hypoallergenic - effectively relieves food allergy symptoms
 - Based on 100% non-allergenic free amino acids
- Nutritionally complete for infants 0-12 months – supports normal growth and development
- Only hypoallergenic formula with a clinically tested blend of prebiotics and probiotics, shown to balance the gut microbiota of infants with food allergies to be closer to that of breastfed infants

Neocate Syneo Infant is specially formulated for the dietary management of infants with cow milk allergy (CMA), multiple food allergies (MFA), and related gastrointestinal (GI) and allergic conditions, including eosinophilic GI disorders (EGIDs), food protein-induced enterocolitis syndrome (FPIES), and gastroesophageal reflux (GER) related to food allergies. Only Neocate Syneo Infant contains Syneo®, a unique blend of prebiotics and probiotics, backed by years of research, and designed to help support a balanced gut microbiota in infants with food allergies.

Good to Know

- Added nucleotides & DHA/ARA
- Dairy free
- Made in a milk protein-free facility
- No added soy oil
- No artificial colors, flavors, or sweeteners
- Kosher Pareve
- Halal

Neocate Syneo Infant should only be used under medical supervision. It's important to always contact a healthcare professional before making any changes to your baby's diet.

Nutricia North America **supports** the use of human milk wherever possible.

■ This Guarantee applies only to products purchased on Neocate.com or from one of our authorized U.S. sellers and must be requested within 45 days of purchase. Guarantee is limited to one case per Pepticate or Neocate product. This Guarantee does not apply to products for which you have received (or applied for) reimbursement from insurance. For full terms, see <https://www.neocate.com/about-neocate/satisfaction-guarantee/>.

REIMBURSEMENT RESOURCES

Access resources and information that can help you find reimbursement for the medical foods and exempt infant formulas your child needs to thrive.
